

DIA 2V-R

Since 1905 la Pavoni has produced the finest commercial espresso machines. The DIAMANTE series is a modern version of the classic 1955 Bruno Munari's Concorso. A full size commercial espresso machine loaded with features. Available in 2 & 3 group configurations. Volumetric control pads operate each group offering 4 serving sizes. Energy saving 2 position power switch allows for ¾ or full power modes. Semi-Automatic coffee delivery, machine stops brewing once coffee is delivered. Direct water feed with steam and hot water on demand. Large 14 liter boiler. Visible water level sight glass. Made in Italy. Output about 600-650 drinks per day. Red or blue prismatic panels made of 304 polished stainless steel.
