

# ZIP SERIES

# Model: ZIP-JR-R

La Pavoni ZIP Junior Auto. Automatic, on demand programmable burr coffee grinder. This smaller commercial grinder is perfect for low volume business locations or for those needing a backup grinder for decaf or flavored coffees. Programmable in milliseconds for the absolute exact dose. 16 gram max. One touch dosing or continuous grind. Steel body, flat carbon steel burrs with 10 year guarantee. The motor is mounted low so not to transfer heat to the coffee beans. 1.75 lb. top hopper. Slide out catch trays. Made in Italy.
